

Meet Ken Lange

our newest BCW Board Member

Ken Lange was born and raised in Milwaukee. He is a 1956 graduate of UW-Madison, and remembers fondly his plant ecology course taught by John Curtis. After graduate work at the University of Arizona in Tucson and various jobs in the Washington D.C. area, Ken returned to his native state as the Naturalist at Devil's Lake State Park. He held this position from 1966 until retiring in 1996. Ken is the author of a number of publications in both human and natural history, including a natural history of Devil's Lake State Park and a flora of Sauk County and Caledonia Township, Columbia County. He continues to be active in various field related studies.

Ken Lange

Welcome... new members!

*Rachel Anderson, De Pere
Paul Hlina, South Range
Jessica Johnston-Walsh, Valders
David Rogers, Milwaukee
James Sime, Middleton*

Photo Contest

Have your photos displayed in Wisconsin Flora! I'd like to have pictures from ALL seasons of the year, including winter. If you have digital photos of BCW field trips, or native WI plants, please send them to Lynn White at bcwlynn@frontiernet.net

BCW Board Meeting

Sat. February 21, 2009, 10am

Green Lake, WI

Place to be determined.

For more info contact [Tom Eddy](#)

(All BCW members are
welcome to attend.)

Masthead Photos

Photo credits for the November 2008 masthead go to *Thomas Eddy (r,l) & Lynn White (middle).*

These three plants were photographed at the BCW Annual meeting in August .
